

OFFICE OF THE GOVERNOR

SEP 30 2016

To the Members of the California State Senate:

I am returning Senate Bill 778 without my signature.

This bill creates a new registration category for oil change stations under the Bureau of Automotive Repair.

I believe that, before a new registration program is enacted, a more comprehensive review is needed. AB 873, which I signed, provides just that process.

Sincerely,

Edmund G. Brown Jr.
